## REVIEW

Alex Turner

★★★★★

PREMIUM QUALITY AND DURABLE - Quality construction that will last many years. Made from durable wood which is strong and gives greater durability and strength to the rolling pin. Sleek design prevents the build-up of bacteria and fungus.

Krishna Grant

Best design tools which enhances the philosophy and the state of rajasthan. It is not only a tool but it promotes the handicrafts of India which is a dying art in India which needs to be promoted.

Patrick

★★★★★

Effective design ideas which enhances the philosophy and the state of rajasthan. It is not only a tool but it promotes the handicrafts of India which is a dying art in India which needs to be promoted.

## PICTURES OF ARTISANS

Artisans are the backbone of India's non-farm rural economy, engaged in craft production to earn a livelihood. However, propelled by loss of markets, declining skills and difficulty catering to new markets, the number of Indian artisans has been rapidly decreasing. For this reason, we aim to not only promote it but instill a sense of responsibility and knowledge in the minds of the users.
